

O Beautiful Design Details Announced

by John F. Dunn

On July 3, the Postal People provided us with details of the scenes and who photographed them for the 20 stamps depicted in the pane of 20 “O Beautiful Forever” stamps that were issued on July 4 in Colorado Springs, Colo. Each row of the 20-stamp pane illustrates one of five phrases from the song “America the Beautiful.” The phrase appears to the left of the row of stamps to which it applies.
